Due to the large volume of requests, The HoChunk Renaissance Language Preservation Program does not accept unsolicited documents such as poetry, scripts, screenplays, and book manuscripts for translation. All requests will be ranked in order of priority based on educational/cultural relevance and staff availability. Also, be aware that there may be words that have no translation in HoChunk. We would also like all requesters to take into consideration that there are many different translations and interpretations within the HoChunk language. The HoChunk Renaissance Language Preservation Program reserves the right to decline any request it receives. The contact for the form and the email to submit is translations@winnebagoTribe.com.
